BRANDS BY **BARRON**

Brands by **BARRON** is excited to introduce you to 3 NEW brands to bring you the right product for your brand. We believe that every brand has the right to a meaningful product upon which to tell its own story. Our extensive range holds a world of possibilities, with a new golf brand, caps as well as the Africa brands. Our high-quality brands, combined with our creative solutions, will delight your staff and customers.

We are excited to introduce you to the revitalised Indestructible brand which has represented quality and durability for 15 years. The Indestructible Headwear collection is not only functional and equipped to handle adverse conditions but it has the perfect gear for your outdoor adventure. The collection brings you functional camouflage wear, shirts, jackets, fleece tops and trousers.

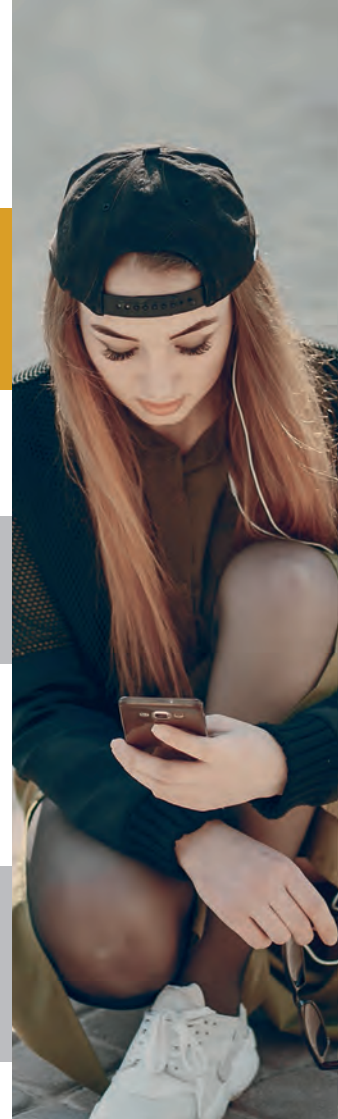

Barron is excited to announce the partnership with Ernie Els and we have collaborated to launch an exclusive collection that will be available from Barron. This collaboration portrays luxury golfing garments made in South Africa. The entire range is built around bright and vibrant colour palettes, distinguished look to the silhouette and a luxurious feel with a slight sheen to the fabric. The Ernie Els Collection is a brand represented by the Big Easy himself, who has won 4 Majors, had 71 career victories including 19 PGA and 28 European Tours and became World Number One for the first time in 1997.

Ahead was founded in 1995 by Mr Ken Shwartz. Over the past 15 years, the Company has been able to capitalize on the golfing industry's desire for specialized high-quality graphics on headwear and garments and the brand-conscious nature of those who frequent golf shops. With a consistent balance of creativity, simplicity and the forward thinking of the Ahead brand, there is no doubt you will find performance, comfort and enjoyment in every product you acquire. Options are endless in terms of customisation and personality of your private or corporate logos on golf shirts and caps. It is available all within one brand, from simple things that make you look the part to your Headwear gear. It can simply even make a statement with the advanced materials in golf equipment, particularly the Apparel lines & golf shirts.

466/64

The 466/64 fashion brand takes its name from Nelson Mandela's prison number on Robben Island. He was prisoner number 466 in the year 1964. We honour Madiba's legacy by continuing his humanitarian work while celebrating the ideals and values he lived by, which continue to inspire the world. By purchasing this range you are supporting the work of the Nelson Mandela Foundation and directly contributing to the preservation of Madiba's legacy. Barron has collaborated with the 466/64 fashion brand for an exclusive corporate range that will only be available to our resellers. The range is a combination of easy affordable casual t-shirts and a baseball cap that celebrate different facets of Madiba's values and character. The collection is 'Made in South Africa' - watch out for more collection releases in the coming months.
